

Bill Quay Training

Day Service Provision at:

Bill Quay Farm

Hainingwood Terrace,
Gateshead,
NE10 0UE

Offering a truly unique support service for clients with a range of abilities!

What We Offer

Our facilities are unique in comparison to other day service providers as we give our clients the chance to experience a real working farm and will be able to participate in various program areas. Our service will provide a therapeutic use of farming practices, meeting and interacting with the animals and partaking in meaningful activities in animal care, horticulture and playing an important part in the day to day running of the farm.

Testimonials

Martin Lone - Parent

My son has been attending for years and loves interacting with the animals. It has given him so much confidence in working and communicating with others.

Dawn Wilson - Parent

Our daughter thrives at the farm, she is so proud of her role and the work she does. She has worked so hard and learned many new skills. The staff are amazing, friendly and supportive and Anna's confidence has soared, it has been life changing! Bill Quay Farm is her favourite place to be.
