To support Safeguarding Adults Week we are pleased to offer

Diabetes and the links to Safeguarding Adults Reviews

Monday 20th November 2023,
10.00-11.00am
(virtual session via Teams)

For everyone working with families, children, young people,
and adults.

The National Institute for Health and Care Excellence (NICE) estimates
that by 2025, more than 5 million people in the UK will be diagnosed
with
Diabetes BUT what do you really know about it and how it can impact
on someone's life?

The session will cover:

- An overview of what Diabetes is / who gets it and why.
- How the condition is managed.
- Challenges for people who are diagnosed.
- How it can present and manifest if not managed appropriately (ie links to self-neglect, alcohol or substance misuse, mental health issues, trauma and constraints to lifestyle.
- How practitioners can support and the pathways available.
