

## Are you:

- over **18** years old?
- living with **at least two** (physical or mental) **long-term health conditions?**

Have you received care from a **hospital** in the last **12 months?**

**You could be eligible to take part in our study investigating hospital care quality for people with multiple long-term conditions!**

## What does it involve?

An **interview** (in-person, online, or by phone) lasting around **90 minutes** where we'll be interested in hearing how you feel about the **quality of care** you have received in hospitals.

**Contact** Freya Thompson via email **f.thompson2@newcastle.ac.uk** or telephone **0771 7196 211** for more information
